Swiss digital agency — Montreux, French-speaking Switzerland

Swiss Media PRO DIGITAL AGENCY

ABOUT

A people-sized agency behind every project

Swiss Media Pro is the digital agency of Onebiz Solutions Sàrl, a consulting company based in Montreux. We support freelancers, SMEs and entrepreneurs in designing, launching and growing their online presence.

Our strength: long experience advising businesses (insurance, finance, tax, real estate), combined with real mastery of digital tools and AI. You talk about your business; we turn it into a digital solution.

Based in French-speaking Switzerland
Close and responsive

Tailor-made solutions
No imposed template

Data protected
Compliant with the Swiss FADP

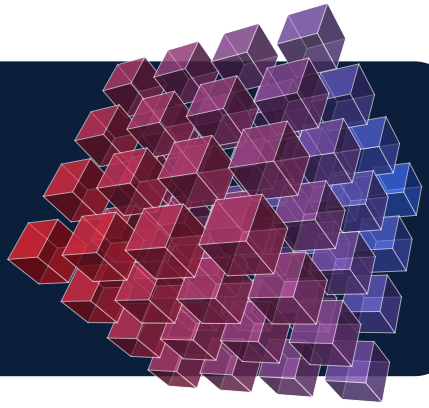

A single point of contact
From strategy to launch

OUR COMMITMENT

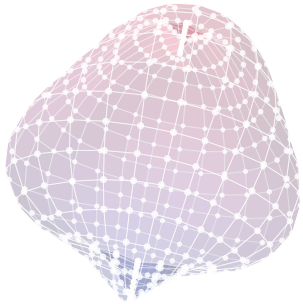

- Independent, results-driven advice
- Sites you own: you stay in control of your content
- Security, performance and compliance by design

OUR AMBITION

Putting the best of digital and AI at the service of your business, with clarity, simplicity and proximity.

Swiss Media PRO DIGITAL AGENCY

OUR SERVICES

All things digital, in one place

From the first piece of advice to day-to-day operations, we cover all of your digital needs.

01 Digital consulting & strategy

Audit of your online presence, digital roadmap, choice of tools and support for the transformation of your business.

02 Artificial intelligence

Task automation, assistants and chatbots, integration of AI into your processes, training for your teams.

03 Websites & e-commerce

Custom WordPress websites, online shops, portals and extranets: fast, accessible and easy to manage.

04 Digital marketing

Search engine optimisation (SEO), online advertising, e-mailing, social media and content creation that converts.

05 Identity & design

Logo, brand guidelines, print and digital materials, videos and visuals: a consistent image for your brand.

06 IT & infrastructure

Hosting, maintenance, backups, e-mail, workstations and IT support for SMEs.

07 Cybersecurity & compliance

Securing your websites and data, best practices, and compliance with the Swiss Federal Act on Data Protection (FADP).

08 Training & coaching

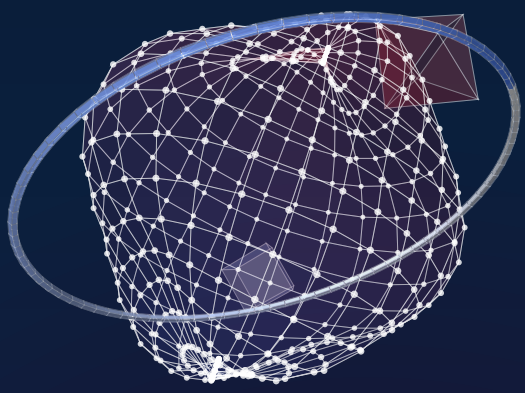

Workshops and coaching on AI, WordPress, digital marketing and digital tools, in person or remotely.

Swiss Media PRO DIGITAL AGENCY

OUR METHOD

Four steps, no surprises

A simple, transparent journey, from the first discussion to the growth of your results.

01 Listen

We pin down your goals, your audience and your constraints in a free first discussion.

02 Strategy

We define a clear roadmap: priorities, budget, schedule, indicators.

03 Delivery

Design, development and launch, with regular sign-offs.

04 Growth

Monitoring, optimisation and enhancements to improve your results over time.

FREE FIRST DISCUSSION

Tell us about your project: we will get back to you quickly with a clear proposal, no commitment.
